listing Description

20th Anniversary Edition • 682 HP Supercharged V8 • Black Diamond Tricoat • Onyx Package

This is not your ordinary Escalade.

Experience one of the most powerful and exclusive luxury SUVs on the road — the **2024 Cadillac Escalade-V 20th Anniversary Edition**.

Finished in stunning **Black Diamond Tricoat** and equipped with the **Onyx Package**, this Escalade-V combines the unmistakable presence and first-class luxury of Cadillac's flagship SUV with the heart of a true V-Series performance machine.

Under the hood sits a **hand-built 6.2L supercharged V8 producing an incredible 682 horsepower and 653 lb-ft of torque**. Put it into V-Mode, hear the active exhaust come alive through its quad exhaust outlets, and you'll immediately understand why the Escalade-V is in an entirely different category from a standard Escalade.

With **0–60 mph performance in under 4.4 seconds**, full-time all-wheel drive, Magnetic Ride Control and Air Ride Adaptive Suspension, this three-row luxury SUV delivers a driving experience that is remarkably smooth and comfortable when cruising — and absolutely exhilarating when you want to hear that supercharged V8.

20th Anniversary V-Series Edition

The 2024 model celebrates **20 years of Cadillac V-Series performance** with special anniversary details, including an exclusive grille treatment, V-Series startup graphics and unique V-Series puddle-lamp projections.

The rare **Black Diamond Tricoat** makes this Escalade even more special, featuring a deep black finish with a brilliant diamond-like sparkle that comes alive under the Las Vegas sun and city lights.

First-Class Luxury for Up to 7

The performance may get your attention, but the interior reminds you that this is still an Escalade.

Step inside to a beautifully appointed **Platinum interior with premium Semi-Aniline leather seating across all three rows**, sophisticated wood trim and an enormous curved OLED digital display.

Front passengers enjoy **heated, ventilated and massaging seats**, while second-row passengers can relax in captain's chairs with their own **dual 12.6-inch rear entertainment screens** — perfect for kids, families, executives or longer drives.

And with Cadillac's premium **36-speaker AKG Studio Reference sound system**, the Escalade-V delivers an incredible audio experience throughout the entire cabin.
